CHAMBER SPONSORS PROJECT OF INCORPORATION STUDY

'round town

with Betty Allen...

Greatly missed in Campbell will be the Jack Murdocks who are moving to Korbel in Humboldt County where Jack will be employed by the Northern Redwood Lumber company. During the 14 years that he served as secretary of the Campbell Water Co. he made the acquaintance of almost every man, woman and child living here. He also served as an unofficial "Mr. Fixit." If you were looking for someone to do gardening, he knew the man—or if your niece was coming to visit, he'd loan you a bicycle for her to use.

On community matters and annual "drives" Jack always did his part and both he and his wife have participated extensively in community clubs and organizations. We wish them well in their new venture and hope they'll get back for a visit now and then.

Another house moved today! This time it's the one behind Joe Dahl's real estate office which Mr. and Mrs. Ed Reese are taking to their Rincon Ave. ranch.

There's an interesting sidelight on "Cubby" Field's wedding. I've heard of the bride not showing up or the bridegroom being late—but this time it was the minister! Due to car trouble (it turned out) he was a half hour late. The organist played on, the bridegroom, waiting with his best man, was isolated in his cubby hole and fearing the worst, and the guests made themselves (it was a hot day) even warmer by constant cranings of their necks.

Campbell does not have to be left out in the roster of towns over which the discs were seen. Last Friday two small boys burst into the Press office, their eyes as big as the so-called saucers. They were Jimmy Fossum and Tony Manzoni and they had just seen two discs headed South. They said they were orange and white and were constantly spinning.

I am still fascinated with the application for work slip I saw at one of the local plants. The applicant had filled in his name, address, nearest of kin, etc., correctly but on the line which read "physical defects, if any" he had written "Wedgewood." I hope he has a good doctor!

Lots of excitement around the Campbell Lumber Co. yesterday when a pig escaped from a passing car. Pigs, it seems, are hard to catch.

Activities Of Community Recreation Program Popular; More Help Needed

Art Tindall reports that attendance at the Cambrian playground is stepping up but more volunteer help is needd. The Campbell playground continues to prove popular with the younger set.

The use of the American Legion hall on Isabel Drive has been secured and folk dance instruction will be given under the direction of Mrs. Carl Spenser for the 9 to 12 year age group boys annd girls. For further information and to sign up conact Art Tindall or call the Grammar school office.

There are still a few places open on the new swimming groups list which will start July 21 and last four weeks. These groups swim three times a week and receive instruction for only $4.50 a period. Transportation is provided to and from the pool.

Dramatic coaching will be given by Mrs. Les Ackerman and Mrs. Mary Parker as soon as an interested group can be formed.

On Mondays and Wednesdays from 6 to 7:30 p.m. the junior hard ball games are played on the high school field for boys and girls 15 and under. Tuesday and Thursday evenings at the same time are given over to the softball games for the young adults. Everyone interested is urged to report to the high school diamond and participate in the lively evening games.

TEEN-AGE CLUB ENJOYS SWIMMING

Members of Buc's Cove, high school age club, meet Monday evenings at Woodrow Wilson swimming pool for recreational swimming. Plans are now under way for a Barn Dance to be given by the group in the near future.

BOYS ENJOY EVENING GAME

Members of the Junior and Midget hardball leagues were given an extra thrill Wednesday evening when they went in to San Jose to see the Red Sox and Santa Barbara teams play under the lights. The treat was arranged by Victor Corsiglia, Sr., with Bob Freitas, business manager of the Red Sox. The affair was planned as part of the community recreational program under the coordinating council, with members of the Kiwanis club supplying transportation.

AUGUST DANCE PLANS

Plans are going forward for the community dance to be held in the high school gym the evening of August 2. Funds from the affair will go toward the community recreation fund. No pre-sale of tickets will be held at this time, admission to be obtained at the door for 76c. No orchestra has yet been obtained, but one will be secured in time for a good turn out. Everyone is invited to attend. The reception of the first community dance was an overwhelming success and a return engagement has been urged from all sides.

GAME SCHEDULED

Gilpatrick and Standish Rocketts, winners of the local hardball league will meet the Woodrow Wilson playground team Thursday afternoon at 1 o'clock. It is hoped that a large crowd will be on hand to root the home team to a victory.

School Board Seeks Bids

The Campbell Union Elementary School Board is now asking for bids for the construction of the two new schools voted in the recent bond election. One school, to be known as the San Tomas school is to be erected on San Tomas road between Pollard and Allendale Roads. The other, called the Moorpark school, is to be built on Moorpark Ave. near the County hospital.

Bids must be in accordance with the architect's plans now on file with Franklin, Kump and Falk, architects, in San Francisco.

SCOUTS RETURN FROM YOSEMITE

By the Scout Reporter DUDLEY HERSCHBACH

The members of Moreland Scout Troop 36 are still blissfully dreaming about 15 days of fun and adventure the troop enjoyed during their summer camp in Yosemite Valley, from which they have just returned.

The troop also visited the park last summer, and was lucky to get the same campsite again this year. They also were happy to meet again the Senior Scouts of Explorer Post 13, and to renew other friendships they made last year (Some with Camp Fire Girls, you see).

The boys also enjoyed re-constructing the famous bridge they built last year. This year's bridge was larger and better but was built across Tenaya Creek at the same place as last year's.

Many Scout advancement requirements were passed on the trip. Every non-swimmer in the troop learned to swim and four boys passed their fifty-yard swimming test for First Class rank.

Much hiking was also undertaken. Older boys hiked to Glacier Point by the notorious Ledge Trail; back-packed to Eagle Peak, El Capitan, and Yosemite Falls, camping for a night on El Capitan's rocky summit.

Then two of them, Harry Pankoski and Dudley Herschbach, made a 35-mile trip visiting Clouds Rest, the highest peak in the valley, where they put their names in a Sierra club register, and then hiked down through the Forsythe Pass to Lake Tenaya, where they soaked tired feet before returning to the valley. Both returned convinced that Yosemites' beauty is its back-country. (And also feeling that 35 miles is a very long hike for one day).

On the same day, the rest of the troop hiked up the Mist Trail to Vernal and Nevada falls, where a new adventure awaited them, for their good deed for that day was the sad task of carrying down the body of an old fisherman who had suffered a heart-attack.

Besides hiking, the troop made a trip by truck to the Mariposa Grove of Big Trees, where a friendly Ranger made their stay very interesting and educational.

Mr. R. Herschbach, Scoutmaster, also got in on the fun when he, his assistant, L. Miller, and the troop's other ambitious fishermen, enjoyed an overnight trip to Glen Auldin, near Tuolumne Meadows.

Many committeemen and parents visited the troop. Mr. E. Roseborough, Mr. D. Mills, Mr. W. Weisendanger, Mr. H. Pankoski, Mr. J. Pankoski, and Mr. S. Rodgers came and most of them brought their wives along.

Even with the hiking and swimming, the boys still managed to handle their camp chores and do all their own cooking also.

Troop 36 was formed in the Moreland district in 1943 with an original membership of eight boys under the direction of L. L. Miller as Scoutmaster.

Now having a membership of 23, the troop has won awards steadily in Scout contests and ranks high in Santa Clara Valley scouting.

CAMPING TRIP

Mr. and Mrs. John L. Alsmada, accompanied by John Swanson, enjoyed a camping trip at Big Basin recently.

Kiwanis Club Gives Resuscitator For City Use

By JACK SCOTT, Fire Chief

The Campbell fire department has now nine men, or three teams of three, going through a training course in the use of an inhalator and resuscitator, which was recently purchased for the community of Campbell by the Kiwanis club.

The machine is stored at the Campbell fire station. A signal code will be established in the near future for emergency cases and will be blown through the fire siren.

In the opinion of the fire boys, this is an excellent purchase for the community, and as far as is known is the only donation by any club or organization or group of individuals of any life saving apparatus in the history of the community.

The Kiwanis club should be congratulated for being the leader in an enterprise of this type, and it is to be hoped that other groups or organizations will participate in like manner.

The boys of the fire department are always willing to take the responsibility of any property or life saving devices and the care and use of the same.

BIG BASIN ATTRACTS

The Big Basin was a popular spot for Campbellites last Sunday. Seen around the swimming pool were Mr. and Mrs. E. A. Merrill and sons, Edward, Roger and Jack; Mr. and Mrs. Leslie Titus and daughters, Nancy and Peggy, John A. Swanson, Mrs. Roy Stoner, Kay and Grace, Mrs. Roger Atkinson and Elizabeth, Frances and Stephen, and Miss Helen Stray.

Tennis Tournament Is Scheduled

Sign-ups for the tennis tournament to be held in August are now being taken by Mr. Art Tindall or at Nelson's Sport Shop, with August 2 as the deadline. Competition has been limited to residents of the Campbell Union High School district.

Classes will be as follows: Men's singles and doubles; women's singles and doubles; mixed doubles and high school boys' singles. Any high school girl can sign up in the women's division.

Rules for the tournament will be the same as last year. There will be no entry fee but each player will furnish two new balls for each game he plays. The loser keeps the used balls while the winner takes the unused balls.

Final Rites Are Held In Church

Funeral services were conducted Tuesday afternoon at the Smith District church on San Tomas Ave. for Martha E. York, who died in Campbell July 9. Interment followed in the Santa Clara Protestant cemetery.

Mrs. York, a native of Boone County, Arkansas, was 79 years old at the time of her death.

She was the mother of George E. Cooksey, Los Gatos; Jake A. York, Campbell; Fannie M. Johnson, Sapulpa, Okla.; Oscar W. York, Sapulpa; Leona P. Pierce of Campbell; Vernon F. York, Sapulpa; Pansy Brown, Campbell; and Albert J. York, San Jose.

Also surviving her are 34 grandchildren and two great grandchildren.

Jeanette Gomes Receives Top Musical Honor

At the 1947 convention of the Music Teachers Association of California held at the Palace Hotel in San Francisco, Miss Jeanette Gomes had the honor of being one of the three students chosen from many in the state to represent the ten-year award students of California. It was the climax of the three day convention as well as the climax of ten years of meritorious work for Miss Gomes.

For her selection Jeanette played Mozart's Rondo in D Major. It was one of the selections she played when she was presented her "Ten Year Student Award" pin earlier this year by the Santa Clara County Branch of the M. T. A.

Miss Gomes has received all her musical instruction from Mrs. Velma Hoxie of San Jose. She is continuing her studies with Mrs. Hoxie as well as taking from Adolph Baller, pianist of the Alma Trio.

Miss Gomes is the daughter of Mr. and Mrs. Joseph V. Gomes of Hamilton Avenue and will be a junior at Campbell high school this fall.

Lico's Market Defeats Creamery

Behind the steady hurling of George Terry, Lico's Market defeated Moderne Creamery of Gilroy in a fast, well played game Friday night, 3 to 2. Terry allowed five well spaced hits and fanned seven of the Creamery men.

Moderne Creamery went ahead in the first inning on a walk and hit by second baseman Ed Filice, and added another in the third. Terry bore down to block them the rest of the way.

Lico's came back with a run in the third and clinched with two in the sixth on Wayne Buck's triple and successive hits by Terry and Roy Solis.

Buck and George Bacon led the Grocers at the plate with two hits each.

Thursday night, Licos Market plays Filices Shoe Shop in the first game of the second half. Ray Solis will do the hurling for Lico's with Bob Harris for Filices'.

HOBBY SHOW DRAWING ENTRIES

Great enthusiasm is being shown over the Hobby Show scheduled for Saturday, July 19, at the high school gym. The show will be open from 2 to 5 in the afternoon and 7 to 10 in the evening, with everyone eligible to participate.

Among the entries already signed up are archery handicraft making, leathercraft, and a model airplane collection by Dick Metz. Ray Flagg is entering a historical collection, Mrs. Lewis, paintings; Mrs. Horner, crocheting; Mrs. Antone Ferro, canary birds, and the Garden Club is entering a collection of plants under the direction of Mrs. Harold E. Peck, president.

Also among the attractions will be a painting exhibit of Frank Cutting from 8 to 8:30 in the evening and a ceramics demonstration by Mrs. Art Tindell. A model railroad has also been entered.

These are only a few of the many exhibits to be seen demonstrating the interests of Campbell residents.

Have Breakfast At Lou's Village

Twenty-five members of the American Legion Auxiliary unit No. 596 met Wednesday morning for breakfast at Lou's Village.

Among the members speaking over the radio were President Mrs. Harold E. Peck, Mrs. John P. Morley, Mrs. Hannah Barber, Mrs. L. E. Garcia, Mrs. Victor Sturk, Mrs Thelma Flatkin, Mrs. Guy Smith, Mrs. C .M. Clever, Mrs. Rex Fuller and Mrs. William Weeks. Mrs. Weeks won the orchid for having the most children and other members of the unit were awarded prizes. Officers of the unit were introduced over the air by Mrs. Peck.

$425 ALREADY GIVEN FOR COSTS; GRIM TO APPOINT COMMITTEES

At a "hot" Chamber of Commerce meeting yesterday, members voted almost unanimously to sponsor incorporation study as the next Chamber project. President Ira Grim favors the employment of a disinterested person, specializing in such work, to gather all the data connected with incorporation. This would include trips to cities of similar size and reports on their problems and finances.

It was estimated that the cost of such a study would be approximately $1500. Since the Chamber treasury contains almost $900, a motion was passed empowering President Grim to appoint the necessary committees needed to "get the ball rolling."

Between the time of the meeting and the time of going to press, $425 was donated by three separate individuals, swelling the funds available to $1325.

Richard Morton, attorney, pointed out that the election would have to be called by December 12 if sufficient time is to be allowed for the tax rolls to be certified by the legislature in time for the 1948 taxes to be collected.

In the early part of the discussion, Karl Bohnett, leading opponent of incorporation presented a motion which would have the Chamber drop the subject. This was defeated 25 to 7.

Ira Grim, president, announced today that a special Board of Directors meeting will be called today or tomorrow to appoint a commitee at once whose purpose will be the drawing up of suitable proposed boundaries.

Before the "touchy" subject of incorporation was discussed, a letter from Sheridan Downey was read, stating that everything possible was being done to secure a bank for Campbell but that nothing definite could be reported at this time.

The Board of Supervisors has approved the recommendations of the Pacific Gas and Electric Co. for improved lighting in Campbell and on the Chamber's recommendation the new equipment will be installed as soon as materials are available. This will raise the tax in the lighting district from 9.4 cents to 21 cents which is still far below the national average for such taxation.

Ordinances calling for stop signs on Campbell Ave. are now being drawn up by the district attorney's office at the request of the Board of Supervisors who received the suggestion and recommendation from the local Chamber.

Travelers Return From Guatemala

Mr. and Mrs. Ethan Lamphear and Mr. and Mrs. Budd Levenberg are back in Campbell with enough to talk about for the next ten years. They have just returned from a trip to Guatemala via Chicago. Leaving here by train they went to Chicago for the Kiwanis convention, being re-routed through parts of the middle west because of the great floods throughout the country.

Following three days in Chicago they flew to Guatemala City, stopping over one day in New Orleans. Their day there was spent in seeing the French Quarter, the old cemeteries where the bodies are buried above ground and in a general sight-seeing tour of the city. Flying down they pased over a great deal of the flooded areas. From New Orleans they winged down to Guatemala City where they were the guests of Paul and Vivian Becker and Miss Jane Parr, former Campbell residents now residing there.

Mr. Becker is having a great success with his radio announcing in Guatemala City and Mr. Lanphear and Mr. Levenberg brought back a recording of his announcing Miss Parr now has a tea shop there. They report that they like the country very much and are enjoying every minute of it, but are planning on returning "home" sometime.

While in Guatemala the travelers saw a good deal of the country and were entertained by the American ambassador at a Fourth of July party.

Mrs. Lanphear was especially enthusiastic about the marketing places in the city and stated that everything imaginable was for sale there in open market places. They brought back some of the native cloth, each tribe weaving its own pattern, some of the silver bracelets and towels they saw woven and which have their names woven into them. Orchids were selling for five cents apiece and bananas for 25c a stalk.

Perfect weather was encountered during the entire trip and no ill effects were experienced from the climate changes. The party arrived back in Campbell Monday evening after flying back with an overnight stop in Mexico City.

"Slugger" Nelson In Overtime Tilt Drives K.K. To Win

Kopper Kettle won the first game of the second half of the softball series at Los Gatos Monday night in defeating Boitano's Flying "A" 6 to 5.

Marshall, K.K.'s new third baseman, played a beautiful game both defensively and offensively. Lloyd Nelson drove in the winning run in in the 8th inning to wind up the evening with two hits for three times at bat.

Next Monday night, K.K. will play Gene's Market of Los Gatos at the Los Gatos softball field. A local turnout would be appreciated.

Kiwanis Club Hears Report

At Tuesday's meeting members of the Campbell Kiwanis club heard a report from their delegates, Budd Levenberg and Ethan Lanphear, on the national convention held in Chicago.

Visitors at the meeting were Hal Davis, Bud Williams, Cecil Spotswood and Jack Adams, all of Los Gatos.

There will be no regular meeting next Tuesday but on Thursday a joint meeting with the Los Gatos club will be held at the Hotel Lynden in Los Gatos.

NEW PRESS PERSONNEL

Mrs. Chet Clever has been added to the staff of the Campbell Press and will assist in reporting. Mrs. Clever is well versed in this work since she was a reporter for two years on the Salinas Independent at Salinas. She also served as editor of the Salinas Junior College "Battery" while attending school.

The new reporter lives on Sunnyside Ave. with her husband and two daughters, Judith and Barbara. She finds time for church activities and is also an officer in the American Legion Auxiliary.

Reports Given To Legion Auxiliary

With a full corps of officers present, President Arrah Peck presided at the American Legion Auxiliary meeting last Wednesday night.

Mrs. Clara Fagalde, rehabilitation chairman, reported on the weiner roast the Campbell unit held for the veterans in the closed ward at the Palo Alto Veterans hospital. This was the first time a program like this was held for the closed wards, and Mrs. Fagalde told of the splendid reaction from both patients and hospital staff. The Campbell unit has been extended the invitation to return in September to hold another such picnic. Mrs. Fagalde said, "When we see the good we do for those men who have sacrificed so much, I'm sure we will all work harder to sell more poppies next year." The money from poppy sales is used exclusively for rehabilitation work.

Delegates elected to attend the state convention held in Los Angeles in September are Mesdames Arrah Peck, Miriam Smith and Edith Morley; alternates are Mesdames Gladys Weeks, Mae Brand and Hannah Barber. The district convention will be held in Monterey Sunday, July 20, and a number of members will attend. At this meeting district officers will be elected.

A new chairmanship for the unit is the radio chairman to which Mrs. Mickie Sturk was appointed by the president.

Twenty-five members will attend Breakfast at Lou's Village July 16.

On July 6 Mrs. Peck entertained the officers and chairmen of the unit at her home at which time the program for the year was discussed.

Victor Corsiglia, whom the unit sponsored to attend Boys' State in Sacramento in June, gave a report on the activities there. Victor said "I learned a lot about our government and how it is run, and I hope I can put into practice the things I learned there."

Corsiglia, a senior, will serve on the Student Council of Campbell High school next year, and is the son of Mr. and Mrs. V. F. Corsiglia of Cupertino.

The unit will not hold another meeting until September 10. Refreshments were served following adjournment.

Bishop Opposes Military Training

At the Methodist church last Sunday, Rev. L. J. Osborne read a letter from Bishop James C. Baker dealing with the issue of universal military training which is now before Congress. In the letter Bishop Baker suggested all citizens be reminded:

"That Universal Military Training is against our American heritage and history;

"That it would constitute a serious break with our American way of life;

"That it is a fitting time to remember all this during the season of our celebration of American Independence."

Bishop Baker concluded the letter by saying: "Now is the time for free and open discussion of this entire issue, and all that it involves. Free speech and free discussion is at the center of all our American heritage."

The San Francisco Bay system comprises an area of 430 square miles at mean tide.

German Letter Tells Conditions

Proof of the desperate conditions in some parts of Germany is shown in the following letter which was received last week by the Campbell Packing Co., of Campbell.

Messrs. Campbell Products Comp.,
Campbell, California.

Dresden, June 12, 1947

VICTUALS FOR GERMEN

Gentelmen:

Having been an American prisoner of war in the spring of 1945, I noted your address intending to address you later on for a situation as your agent in this part of Germany.

Now I am forced by the great cares for daily bread to address you earlier and in other way I had in view.

As you certainly know, we are here in Germany in a very great want of victuals. Both my children (4 and 13 years old) are perfectly undernourished. My wife and myself do need at all victuals besides the absolutely insufficient distributions, and our old parents feel also faint more and more from day to day.

I have lost my home by the bombardment of Dresden in the February 1945, and so I have no possibility in procuring provisions by barter. Otherwise, however, it is not possible to get victuals besides distributions.

I should be very much obliged to you, if you would kindly help me to overcome the next time by sending me one or several parcels containing victuals. I am sorry that enclosing cheque, which balances in advance your account, at present is not practicable, because the German mark is in the present time without international value.

Therefore I beg you for the kindness to credit me a fixed amount until it will be possible to pay this debt. You do not want fear any loss at all.

Otherwise it would be possible to send you postage stamps, if anybody of you is collecting those.

At all events please send me one parcel and let me have an answer as soon as possible after receiving this letter. We are waiting for it in a manner you can hardly think it possible. My address is:

Hermann Koch,
10a) Dresden N. 23
Maria-Anna-Str. 4
Deutschland Germany.
Sowjetische Zone—Russia zone
Land Sachsen Saxony.

As I write you this leter, caused by the present situation, already in this point of time, I take the opportunity of asking you for your fundamental opinion about my offer as your agent in this part of Germany. In case you would be ready to discuss the matter in question, sooner or later, I am at your disposition.

For your kindness, in advance, my appreciative thanks.

Yours faithfully,
H. Koch.

Box Office Reporter

It's "Nocturne" at the Campbell Theater next Tuesday and Wednesday.

Producer Joan Harrison supplies here a murder melodrama in the modern manner that is tight with entertainment from beginning to end and straight as a string in its telling of a tale more plausible than most of those encountered in this type of film. With George Raft and Lynn Bari as its principal name values, the attraction figures to grow from opening day as word of its all-around merit spreads throughout the community.

The setting is Hollywood and the time is the present. Jonathan Latimer's screenplay opens powerfully with the murder of a rich song writer by one of his many sweethearts, all of whom he has christened Dolores, and Raft portrays a detective who sets out to discover which one of the gals did it, although the police department has written it off as suicide. His zeal costs him his job, but he gets it back after a tremendous display of diligence in tracking down the killer. The ending is soundly arrived at and powerfully dramatic.

The title derives from a song which the murdered man has not quite completed writing when he is killed, and there are two other compositions performed in the course of the picture without interrupting the flow of the story.

Direction by Edwin L. Marin is of the best, steady and purposeful at all times, and the film was made under supervision of executive producer Jack J. Gross.

WANDERLUST

I have drank, deep, of the wine of adventure,
It has turned to lees in my mouth;
I have mined in the frozen Northland;
I have hunted big game in the South.
I have flown across the Pacific;
In Hawaii have tarried awhile,
Luring my footsteps onward,
That lurks in the dusky maid's smile.

I have been a soldier of fortune.
'Neath old Mexico's burning sky,
A soldier from sheer love of battle,
A gamble if one live or die.
Now I am back in the land of my birth,
And God! It is good to be home;
But I know that, again, the summons will come,
That will force me, forever, to roam.

Always there dances a will-o-the-wisp
Just ahead of my groping hand;
Luring my footsteps nward,
Over the sea and the land.
I know that my search must continue,
Like the quest for the Holy Grail;
Until my footsteps shall falter,
And rest at the end of my trail.

CLARA BEEBE BALDWIN.

From Our Readers

Dear Editor:

Santa Clara County and most of California are facing a very severe water crisis. With only 9.04 inches of rain for the season here, and only a little over 4 inches above the lowest rainfall in 73 years, and the demand for water far greater, with all of our orchards, gardens of different kinds and canneries, industrial plants and the greatly increased population, rainfall for the season just past was so scant that the farmers will have to pay much higher pumping costs to get water from very low water levels and at the same time much less water.

Meeting with the Santa Clara County water conservation group, we were informed that in some parts of the county the costs of pumping water was in excess of the water obtained and on some of the higher land fruit trees were in grave danger of being ruined. Reports at the meeting from various parts of the county were very discouraging. At Palo Alto it was reported that the water in wells had receded some 15 to 18 feet in the last 60 days, and the reports from other towns and sections were along the same lines.

It was the opinion of those present that every effort should be made to get the dam at Windy Point above Los Gatos, passed by the governor, and the dam built so that when it does rain we can hold the water, instead of allowing it to run into the bay. Something has got to be done now, in order to save our orchards and our cities as well.

—PERLEY PAYNE.

Dear Editor:

That editorial of yours is certainly fine. 'Course I don't know much about Campbell politics but all communities need some stirring up to keep them moving.

Thank you.

Yours truly,
MRS. R. A. MAHAW.

Ice Follies Of '47 Prove Popular

Proving "more delightful than ever" in its first four weeks at San Francisco's Winterland, the famous "Ice Follies of 1947" continues its 11th annual summer engagement.

The Shipstad brothers, Edie and Roy, and Oscar Johnson have assembled by far their most excellent skating production for the 1947 presentation.

There is a cast of 160, with 125 beautiful young girls; there is rollicking comedy, provided by Frick and Frack, Les Hamilton, and Ericsen and Hutchinson; there is art and rhythm in the classical numbers offered by Bobby and Ruby Maxson, Hazel Franklin, the peerless Roy Shipstad, Shirley Halsted and Ginger Clayton; there is zest and almost unbelievable balance in the startling acrobatic Evelyn Chandler; there is daredeviltry in the sharp skating of Harris Legg; there is novelty in the Pomeranian dog sequence in one of the frigid scenes.

For two full hours Winterland patrons see bright new costumes, brilliant new illumination effects, startling routines and tuneful, catchy music. They experience lightning-like scene changes without a split second's lag between acts: Follies patrons, indeed, marvel at the swift, graceful and rhythmic maneuvers of the skaters, at the beauty of the settings, at the clever costuming and lighting.

Few will forget the romantic "Gypsy" number, of the lilting "Swing Waltz." Others will long remember Scotch, Olde English or the Equestriennes. Set to music, these numbers have a melodious catch that will be hummed in the hearts of all.

Campbell Court Notes

By Judge Blaine

"Something has obviously gone wrong with the world and with people generally. What is it? And what can be done about it?"

Thus Dr. Henry C. Link, celebrated psychologist, author of "The Return to Religion" and "The Rediscovery of Man," begins his rather sensational new book, "The Rediscovery of Morals."

Psychologist Link dedicates this book to the younger generation, "in their struggle with the false ideologies which older generations have thrust upon them."

What's mainly wrong with America, according to Link, is suggested in what was just quoted. The older generation has had false ideas - and still has them.

To the same point is an article in May issue of Ladies' Home Journal entitled, "Educating Children for Failure." Less than 8 per cent of all job opportunities are professional, says this article, but more than 60 per cent of our high school graduates are aiming for them.

And in spite of all that Dr. Link can say, and all the magazines can say, false ideologies and ambitions will persist. For instance, it was amusing to see in that Ladies' Home Journal article itself the use of the highfalutin' word "ladies" instead of the good common-sense term, "women." And the article was right. The typical woman desires her daughter to step up higher and become a lady.

And typical men want their sons to become gentlemen—preferably gentlemen of comparative leisure. And it isn't a new thing. Fifty years ago most of the hard-working farmers in this valley expected their sons to become either professional men or gentlemen farmers. Some became professional men, but those who tried to be gentlemen farmers were generally farm failures.

Even school "Readers" of 50 years ago admitted that common sense was rare, saying so in witty poetry. The situation today is not much different, except that lack of common sense has ceased to be so amusing. Dr. Link and some others are trying to get us to take it seriously. Some day it might happen!
